Rob Phelps,

I want to thank you for the fantastic work Phelps Brothers Roofing did at my home 5/4/20 on Westbrook Drive in Nassau. Your foreman Matt and his crew were very professional and impressed me with their job knowledge and work ethic – I got tired just watching them. I have to admit that I spent most of the day watching them work because it was orchestrated perfectly and enjoyable to watch how well they all knew their jobs and worked together.

The job included the house, the one car garage, and the flat 2 car garage and I was amazed they were able to complete all three in one day. Their care protecting the house and surrounding area was very effective, and by the time they left, everything was cleaned up and you couldn't tell they had been there.

Thank you for the fine job. If anyone is asking for a referral, you can send them to me.
